VPK

March is all about the madness.

VPK is doing an awesome job **MARCHING** into the new year.

We are well on our way to learning over 16 sight words and we are so eager to learn more. Each morning, we count by 5's and 10s as well as identify numbers **1-100**. We will also start counting by 2's. We are working hard on memorizing our phone numbers and address, as we prepare for **graduation**.

All parents will be happy to know we are going to start learning to tie our shoes.

Thank you all for your endless support.
